

DRAYTON DAZE

**MAY 30, 31 and
JUNE 1st**

Business Places Join in Offering Outstanding Weekend Values

Drayton Valley merchants are going all out this week to offer town and district shoppers outstanding values for the "Drayton Daze" weekend May 30th, 31st and June 1st.

Check this copy of The Western Review. You'll find specials on every page by the business places taking part in what is hoped to be the first of three or four such co-operative undertakings yearly.

The Western Review will be giving wider than usual circulation this week and takes this opportunity of welcoming occasional visitors or strangers to this community.

Besides shopping facilities, the town offers a wide range of professional and trade services. Recreation outlets include movies, bowling, parks, sports and swimming (the pool opening date as we go to press is still undecided, but the Recreation Department was aiming for opening before the end of May).

We hope you find time to visit Drayton Valley and that your visit is a pleasant one.

The date again is May 30th, 31st and June 1st for savings for every member of the family.

School Track Meet Held

The Lions West Valley Park was a busy place last Friday with an enthusiastic crowd of youngsters taking part in the

annual combined track and field meet of St. Anthony's School, Lodgepole School and the Drayton Valley Junior High School.

FIRES NOW UNDER CONTROL; SITUATION MUCH IMPROVED

The forest fire that raged through a large tract west of Drayton Valley last week was reported under control at the weekend and activities now confined to "mopping-up" operations.

Forest Officer Mike Dubina of Lodgepole (L) who directed operations in controlling the forest fire west of Drayton Valley is shown here with John Zukowski of Drayton Valley, fire equipment foreman.

Forestry Officer Mike Dubina of Lodgepole, who directed the fire fighting force, stated last weekend that though the fire was under control he expected to have a crew working in the area for possibly two more weeks keeping ground fires in check.

At the height of the outbreak last week almost 500 men were employed in combatting the blaze that burned over 17,000 acres. At the weekend the crew was down to 150 volunteers.

As well as the 500 men, a Forestry Branch helicopter, 30 bulldozers and 35 tank trucks were actively engaged throughout much of last week.

An unofficial estimate of suppression costs alone is in the neighborhood of \$50,000 or \$60,000. This does not take into consideration the value of saleable wood products destroyed by the fire.

BOWLERS TO MEET

The annual general meeting of the Drayton Valley 5-Pin Bowling Association will be held on Monday, June 3rd at 8 p.m. in the Frank Maddock High School.

There is important business to be discussed and all bowlers are welcome.

Want Ads get Results.

Field Day Planned At Kinsella Ranch

The University of Alberta's Fourth Ranch Field Day will be held at Kinsella, Alberta on Monday, June 10th, commencing at 1:00 p.m.

The Department of Animal Science Ranch at Kinsella is the beef cattle breeding centre for the University of Alberta. It has become noted for its progressive and practically oriented research to improve efficiency and productivity in beef cattle production.

The Ranch Field Day presents a valuable opportunity for cattlemen to witness, first hand, the latest developments in such areas as selection, crossbreeding and carcass merit determination.

Among the highlights of this year's Field Day will be a discussion by Mr. Frank A. Gattey, President of the Western Stock Growers' Association,

on the Importance of Research to Cattlemen.

Detailed progress reports will also be given on (a) the beef cattle breeding project; (b) the factors affecting reproduction in cows; and (c) grassland brush control.

Tours will be conducted of the cattle and facilities of the Ranch as well as to see the results of aerial spraying of poplar, the fire control of poplar and the results of Silverberry control and its effect on grass production.

Barbeque And Dance Friday Night

Don't forget the big barbeque and dance to be held on Friday May 31st in the Elks Hall sponsored by the Rebels Hockey Club. Please note that the barbeque starts at 6:30 p.m., not 9:00 p.m. as previously advertised.

A feature of the evening will be the draw for the holiday trailer being raffled by the club.

Admission is \$6.00 per couple and tickets are still available at Valley Tire Service, Landreville and Munro Plumbing, Marshall-Wells Store and from club members.

Your best protection against credit difficulties is careful budgeting of your earnings. Don't spend more than you can afford.

204.18.1625

Hockey Trophies Awarded

Robin Hood Hockey Trophies were presented to these three Pee Wee players last week. From left to right are Don Hennessey, Tom Sharkey and Russel Redlinger receiving their trophies and certificates from Ross McLeod with Recreation Director Mike Gormley looking on.

New Food Brochure Available

OTTAWA--The "Value for Dollar" brochure published by the Canada Department of Agriculture contains many interesting facts about the family budget for food and some advice on how to save money in the grocery store.

It reports that while the farmer is getting less of the consumer's dollar spent on beef, bread, pork, fluid milk, grade A eggs, broilers, potatoes and canned tomatoes than he got 15 years ago the "take

home pay" of other consumers has increased and Canadian eating habits have become more expensive. Yet in 1966 sufficient meat, vegetables, fruits, milk, bread and other food could be bought for a family of four for one week with \$29.

Among other miscellaneous information Publication 1354 states that it takes about ten slices of crisp side bacon to equal the protein in a serving of cooked ground beef and

three medium eggs to equal the protein in a good serving of meat.

The brochure can be obtained free of charge from the Information Division, Canada Department of Agriculture, Ottawa.

Reputable news media do not knowingly carry misleading ads. If you find one that is false or deceptive, report same to the media and your Better Business Bureau.

LODGEPOLE NEWS

MRS. C. KAY,
Correspondent.

Lodgepole Community centre was the scene of the annual Cub and Scout, Father and Son Banquet.

Mr. Jim Erickson, the president of the Auxiliary introduced the guests of honor who were as follows: District Cub Master, Mr. Jack McLean from Drayton Valley; members of the Voyageurs team, Mr. Archie Griffith, Vic Maxwell, and Dave Ellery.

The entertainment consisted of the 1967 Centennial Voyageurs adventures. Mr. Maxwell was M.C. and his commentary was most interesting, particularly on some of the lesser known events.

Awards were presented to Scout Master, John Desjardin, his assistant, Mr. R. Gilbert. Also to Cub Master Reg Knapp and his assistants D. Zilm and D. Herron. These were given as a token of appreciation.

Cyril MacMillan received a trophy for the best all-around Scout and highest achievement.

A vote of thanks was extended to Mr. Glen Pedersen and Mr. Phil Petuh for their co-operation and assistance with various projects.

Lastly, but by no means least, a big thank you to all the mothers who provided a wonderful supper, and to the Fathers who helped in any way to make the affair, successful and memorable for the boys and their Dads.

Many friends of Lodgepole and district gathered at the community hall to bid farewell to Phil and Ruth Petuh, who are leaving shortly to make their home in Fort St. John.

Ruth and Phil have been active in many phases of com-

munity activities and will be greatly missed.

On behalf of the gathering and those unable to attend Mr. Reg Knapp made the presentation of a barbecue. We wish them the very best, and we are quite sure they will find many friends in their new home.

Mr. and Mrs. Taly and Ann Sedlowski and family were weekend guests of Elmer and Phil Kupsch.

Mr. and Mrs. Bob Voigt and daughter were holiday visitors at the Bolianatz's home.

Deepest sympathy is extended to Mr. and Mrs. Herb Zander in their recent bereavement upon the death of Mr. Zander's father of Tomahawk.

Club Plans Banquet

HEATHER MACLEAN,
Reporter.

The Alder Flats 4-H Beef Club held its regular meeting in the Alder Flats School, May 9th. There were twelve members present and two pee wees.

There were discussions on slow moving signs and the 4-H Achievement Banquet. All mothers of the members are asked to please attend the next meeting. It was decided there would be a dance after the banquet, June 14th.

Several of the members attended a Judging Competition at the Betlamini farm at Penderly, as guests of the Maywood 4-H Club, April 17th.

Several of the members also attended a field day at the Lacombe Research Station, May 11th.

The next meeting will be June 5th.

The Drayton Valley pool offers refreshing coolness during hot days as this photo taken last summer shows. The pool will be ready for use within the next few days but the opening date is not yet definite.

Nominations Close July 15 For Farm Family Awards

Up to five Alberta farm families may take a \$1000 expense-paid trip to some part of Canada as a reward for being elected a Master Farm Family, Agriculture Minister Harry E. Strom, announced last week. If the elected farm family cannot take the trip, an alternative award of \$1000 will be given.

To be eligible for nomination, the family must be Canadian citizens and the farmer must be the owner-operator or lease-operator of the farm. He must have spent at least 20

consecutive years running his operation.

Nominations must be on the forms provided at district agriculturists' offices and must be signed by three neighbors. Nominations for the award close July 15th.

The purpose of the Master Farm Family awards is to honor families who have achieved notable success in farming, home-making and citizenship. The award is to provide a practical example of farm and family progress and of approved farming practices that help bring success. The award is also for the wholesomeness and dignity of rural life. Finally, the award should show the rising generation an example of the higher ideals of agriculture and the opportunities of rural citizenship.

Forest Fires Reduce Crowd At Alder Flats Sports Day

Starting off the Alder Flats sports day was a ball game between the Winfield and Alder Flats High School boys, ending with a tied game of 8 all. The grades nine and ten girls of Winfield and Alder Flats played next, the final score 19-14 in favor of our girls. The final ball game was between the Faraway and Alder Flats Men with the Flats winning 22-5.

The little folks made up the parade at 12 noon and judged for best ponies were: 1st Debbie and Janie Seely, 2nd Brenda MacLean 3rd Dallas Seely. Bike decorating: 1st Greg Hayduk, 2nd Don and Terry Hayduk, 3rd Tammy Melin. The muskeg jumper received first prize for originality, with Kit Robinson as operator. Dwayne Tugwell received 2nd prize for his horse cart.

Pony express race: 1st prize winner of the saddle was Ivor Lister of Midnapore, 2nd Johnny Law of Drayton Valley winning the 100 dollar purse, Garry Merron of Wetaskiwin came in 3rd and received 60 dollars, Paul Clemmer of Alder Flats took 40 dollars for 4th prize.

1st prize winners of the horse shoe tournament were James Maciborski and W. Dublanko of Wetaskiwin, 2nd Steve Tugwell and Gilbert Seigel.

In the log sawing contest Pete Maciborsky and Scotty Hare took first prize and Ben Jeffcott and Jack Goodkey second.

Mrs. Janke was declared winner of the ladies nail driving contest.

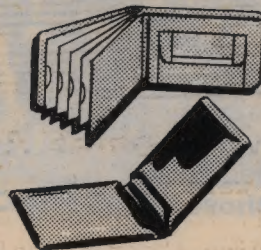

James Maciborski of Wetaskiwin was the winner of the one hundred and one dollars.

The beef pit barbeque was done to perfection, with all commenting on how much they enjoyed it. Despite the windy day and

the crowd not being as large as anticipated, because of all the forest fires, Alder Flats is nonetheless looking forward to next year, to a bigger and better day.

Special thanks to the news papers and C.F.R.N. T.V. for all the publicity given.

EDITORIAL COMMENT

Forest Fires Hit Taxpayers Hard . . .

Many of us treat rather lightly the slogans about keeping Alberta green and being careful with fire. Perhaps after the disastrous forest fires that swept Alberta some of us will give fire a little more thought.

If anyone is still not impressed a visit to the fire-blackened area west of town should cause a change of heart. In fact, we believe everyone, school children included, should have a good look at the area while the scars are still fresh--wait awhile though, until the fire crews have finished the job there.

If the fire here is going to cost an estimated \$50,000 or \$60,000, think for a moment how much 120 or more burning last week are going to take out of the taxpayers' pockets. It's a sobering thought that should make us consider potential fire hazards a little more seriously.

No value can be placed on the loss of recreation areas, the value of the wood products destroyed, nor the losses to wildlife. This is probably a greater blow than the monetary losses involved.

See Alberta This Year . . .

As summer approaches our thoughts turn to annual vacations and most of us plan an annual trek out of Alberta. This is unfortunate because we believe that on the whole our province offers far better summer weather than many of the vacation regions of

long standing.

A winter vacation is something else again. Unless you're an avid winter sports fan, by all means head for the arid south. But in summer with its balmy days, cool nights, towering mountains and beckoning clear streams and lakes--why leave?

And despite the fact that the ranks of out-of-province visitors swell every year, Alberta is still one of the few spots where you can find solitude if you seek it or you can join the crowd for more populous events.

The attractions are many and varied and likely to fill anyone's two weeks with fun and relaxation. Make this your year to see more of Alberta.

Judge Acts to Curb Squealers . . .

"Old fogies" who disapprove the antics of some of today's faster drivers, with particular emphasis on those who gun their engines and squeal their tires late at night, may be interested in the action of a southern magistrate recently.

He has accepted a charge of disturbing the peace levelled at the squealers, and inflicted a fine on the first count of \$25. Under the new Vehicles Act, the magistrate felt, there is ample room to justify the charge.

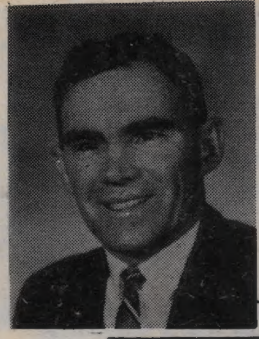

Maybe the word will get around, and other centres will enjoy the benefits.

Recreation Round-Up

By Mike Gormley

DRAYTON VALLEY SWIMMING POOL 1968 SUMMER SWIMMING PROGRAM.

JUNE

SCHOOL SWIMMING - Starting this week, 9:00-3:00 Monday through Friday, Grades 5, 6, 7, 8, 9 from Separate and Public Schools participating. **LEADER CORPS** - Applications into pool office by June 1st. Candidates must be 13 years of age and have qualified at the Red Cross Intermediate Swimmer Level.

NEPTUNE COMPETITIVE SWIM CLUB - Organization begins as soon after the pool opens as possible. Contact pool office for information. **TINY TOT SWIMMING LESSONS** - Orientation of pre-schoolers to water. Instruction in basic skills of swimming given primarily to mothers in order that they can help their children. Tiny tot must be accompanied by a parent. Lessons run from June 17th - 28th from 10:00 a.m. - 12:00 noon.

JULY

SWIM CLASSES - Registration ends June 15th for lessons from July 2-July 12. Registration ends July 1st for lessons from July 15-July 26.

Because of the large jump from the Red Cross Beginner level to the Red Cross Junior level the Red Cross Water Safety Division strongly recommends that successful beginner candidates be directed into the new Survival Swim Level before attempting Junior. The Survival Swim Level is a newly created award that deals with such basic survival skills as drownproofing, rescue breathing, use of a lifejacket and swimming with street clothes on. It is highly recommended as a practical experience of self-survival skills in the water. Knowledge of how to act in waterfront and boating emergencies is of vital necessity when one looks at the drowning statistics. In Alberta in 1967, there were 43 official drownings reported which means a drowning rate of 2.89 per 100,000 people. **RED CROSS SENIOR LEADER COURSE** - Instructors course offered for those adults and young people interested in instructing Red Cross swimming lessons.

AUGUST

SWIM CLASSES - Registration ends July 15 for lessons from July 29 - August 9. Registration ends August 1 for lessons from August 12-August 23. **WATER SHOW and DEMONSTRATION** - Scheduled for Sunday, August 11th. **SWIM MEET** - Exact date is not definite yet but the local swim meet will be held on a

Saturday in mid-August.

ADULTS

Adults Swim - 9:00-10:00 p.m. Adult Lessons - 9:00-10:00 p.m. beginning June 17-June 28; July 2-July 12; July 15-July 26; July 29 - August 9; August 12 - August 23. **POOL RENTALS**: 10:00-11:00 p.m. Have a swimming party!

MINOR BASEBALL PROGRAM

The Minor Baseball program in Drayton Valley is progressing very favorably. During the past week proceedings were hampered considerably due to the forest fire situation when many of the Minor baseball coaches were out fire fighting.

We have competition going at the Mite, "Little Canadians" Midget and Juvenile levels with approximately 150 boys taking part. We have a five team Town League in the "Little Canadian" category as well as a team playing in the "Little Canadian" Oilfield Baseball League. Our Midget team the Drayton Valley Lions are also playing in the Minor Oilfield League. The Juvenile team will be playing exhibition games throughout the summer.

Entwistle Clothing Club Holds Achievement Night

DAWN BROWN, Reporter
The Entwistle 4-H Clothing Club held its fourth Achievement Night May 13th. Each girl made a display to show the clothes she had made.

President Beth Galpin was mistress of ceremonies and opened a meeting with a welcome to all.

The first demonstration was given by Audrey Anderson on "Parts of a Pattern".

The fashion show, "Things Look Great in '68" gave the girls an opportunity to model their garments.

Club Reporter Dawn Brown gave a summary of the year's activities, she also introduced the girls while Mrs. Nelson gave them their perfect attendance pins. Nine girls out of fourteen received these pins.

Next, Doy Burke gave a demonstration on "Hemming a Flared Skirt".

We were privileged to have Mrs. Wood in attendance who presented last year's member, Penny Tufty with the secretary's trophy, an award made annually to a secretary in the Stony Plain area. This is the second year our club received this trophy.

Mrs. Betty Brown thanked the Entwistle and District Chamber of Commerce who

have sponsored us for the past four years. A small gift was given to the president, Mr. Woloszyn and accepted by Mr. Gylander in Mr. Woloszyn's absence.

Mr. Ed Nelson also received a gift of appreciation for all the good deeds he has done for our club. Also, a thank you goes to the Entwistle Community Church for the use of their basement for our meetings.

Audrey Anderson thanked Mrs. Cameron, Mrs. Smith, Mrs. Oliver, Mrs. Taylor and Mrs. Jean Galpin for the part they played in helping us throughout the year.

Mr. Gylander presented the Chamber of Commerce trophies for project books to Debbie Nelson, 1st year, and a tie between Dawn Brown and Audrey Anderson for 2nd year. Mrs. Jubenvil took the two second year books to the Provincial finals.

Achievement Day winner was Debbie Nelson.

Many thanks were given to Mary Anderson, Penny Tufty, Mrs. Gail Whitey and Mary Clough for past support.

The club is planning a tour on July 5th with the Lobstick Beef and Pembina Field Crops club to places of interest in Edmonton.

KEEPTHILLS NEWS

MRS. G. RAYMOND,
Correspondent

Farmers have been hindered from getting in their crops by having to be out fighting fires. The changing winds seem to be the main factor in keeping the fires on the go. In the Genesee area it was reported that fire was carried up to one half mile to the roof of a barn and burned it to the ground. Ground fires are still a threat while others are seemingly under control.

Laura and Eddie Bacon and their family spent the long weekend at Jasper with Laura's folks, the Wayne Clarks.

Mr. and Mrs. Dalton returned from their trip to the States last week.

Buford and Aimie Walker and family of Edmonton and Roy and Betty Tattersall of Spruce Grove and family were visitors at Della and Edward Tattersalls over the long weekend.

Alma White is home after several days in the hospital at Stony Plain.

The White brothers purchased some milk cows recently and will be getting more. Erin is on holidays and putting in the balance of the crop.

Ken and Lindsay Porter were fishing in the Whitecourt area last weekend.

Roy and Neil Raymond of Edmonton were here planting garden on Monday of last week.

Nora Dombrosky is in Edmonton for a few days.

Skating Club Plans Meeting

The Drayton Valley Figure Skating Club reminds parents of the meeting to be held in the Council Chambers on Thursday, May 30th at 8:30 p.m.

On the agenda for the evening are some important matters which should be taken care of now in order for a successful figure skating season next year. Everyone welcome.

Feeders' Day Sat. June 1st

The University of Alberta's Forty-Seventh Annual Feeders' Day will be held at the Livestock Farm, 71 Avenue and 116 Street, on Saturday, June 1st, commencing at 10:00 a.m.

For nearly half a century the Animal Scientists in the Faculty of Agriculture have concentrated on the many practical

problems related to feeding, breeding and management of swine, cattle and sheep. Each year the experiments involved are described in considerable detail and the results analysed and discussed. It has become the custom for from one to two thousand farmers and feeders to attend.

Lunch at a nominal cost is available--many old friends congregate and find much of value to be gleaned from the presentations and free exchange of views.

A Fine Picnic Site

Bring a picnic lunch on your next visit to Drayton Valley and enjoy the fine outdoor facilities at the Lions West Valley Park. Many families enjoy outdoor meals in the park which also has playground equipment to keep youngsters amused. Near the picnic area are the gymkhana grounds and playing fields which are in frequent use.

EVANSBURG

MRS. M. BRUNER,
Correspondent

Dry weather and bush fires seem to be the main topic of conversation these days and, indeed, firefighting seems to be the main occupation of many of the people living around the area. Several farmers have suffered losses through fire, of graneries and feed for

their stock. The high winds we have been having lately does not make for less hazardous fire conditions either.

We see the school children all back in school again after enjoying a long weekend and also at school, but there to learn and practice how to teach are Miss Maureen Fausak and Miss Marybelle Fausak at the Evansview and Evansburg schools respectively. The test for the members of the 4-H beef club which was to have been given on the

21st was postponed because most of the members could not get into town because of firefighting and chores. It is hoped the test will be given at the next regular club meeting.

I am glad to report that the mumps have gone elsewhere and all the boys are back in school this week. A few of the children in the family were fortunate enough to have had them at this time, anyway.

Miss Beth Ann Tucker, who had such a severe case of mumps that she required hospitalization, is now home and recuperating from the illness.

Our sympathy goes out to Mr. Hans Braaten on the death of his father recently.

I would like to wish Mom, Mrs. Bertha Bruner, many happy returns of the day as she celebrates her 86th birthday on May 23rd. Mrs. Bruner is now a resident of the Pleasant View Lodge at Mayerthorpe.

Recent additions to our farmyard population lately have been guinea fowl chicks, ordinary chick, ducklings, goslings, and three kid goats. All are doing fine and enjoying the sunny weather.

Beef Club Holds Tour

Val Guyon, Reporter

The Drayton Valley 4-H Beef Club held its monthly meeting May 7th.

On the 19th of April we went to the Cormie Ranch to judge three classes of animals; bulls, steers and heifers. We had a talk on grooming and showing the steers. We would like to thank the ladies who served us coffee and doughnuts.

Last Sunday we had our calf tour. Like last year we had to write about the two or three best calf pens. All members were present and most of them had good calves. Would the D.V. 4-H Beef Club please accept my apologies for not having my report in on time.

Lunch at Fire Camp

Work out-of-doors builds healthy appetites and the challenge is met by cooks at the outdoor kitchens at the fire camps. The editor visited Camp 2 at noon one day last week to see the remnants of 25 pounds of stew (cooked in a large galvanized garbage can) vanishing rapidly. This photo was taken at Camp 1 at Cities Services bridge during the forest fire that swept the area.

Funeral Service for Alder Flats Pioneer

Mrs. Clistie Jane (Heidt) Nicolls, born April 26, 1880 at From, Ontario, passed away May 17, 1968 in Wetaskiwin.

In 1904 she was united in marriage to Edgar Nicolls, and in 1910 with their two children, Laverne and Gladys came west to Alberta, taking up a homestead, which was latter called the Nicolls district. In the early years the post office was called the Clistie post office. She was active in the church and the Women's Institute while living on the prairie at Verdaut Valley.

In 1936 with her one daughter and two sons she came to Alder Flats where she had purchased the Sistore farm. She was very active in the Evangelical Covenant Church and Sunday School, she did many things in the building of this church, she started the first church group later it was dissolved and the Covenant women's Auxilliary was formed. In 1964 she moved to Wetaskiwin with her daughter Gladys and son-in-law Bert, where she had resided until her passing.

She was predeceased by her husband in May 1921 and her son Laverne in 1945.

She leaves to mourn one daughter Gladys Proudly of Wetaskiwin, one son Elgin of Alder Flats, eight grandchildren, five great grandchildren three sisters Clara Bryan of

B.C., Ina Brown and Blanche Bogart of Ontario and one brother Milton Heidt of Ontario, besides many nieces, nephews and a host of friends.

Funeral services were held in the Alder Flats Evangelical Covenant Church, Wednesday May 22nd with Pastors Albert Josephson and Larry Fullerton officiating. Mrs. Margie Pye was the organist. Pastor and Mrs. Larry Fullerton sang a duet "Be Still My Soul".

Interment took place in the Alder Flats Cemetery with Evantide Funeral Chapels in charge of arrangements.

Pall bearers were Ronald Blades, Alex Danyluk, Carl Bohning, Bill Pye and George Maciborski.

Gainford-Seba News

We wish to congratulate the following local people who took part in the March for Millions in Edmonton. Mrs. Erna Wood, Miss Peggy Wood, Miss Donna Bamber, Miss Iris Kereliuk, Mr. Lolly and Mr. Christenson.

A big welcome home to Mrs. Gisella Struck. Mrs. Struck has been in hospital for nearly three months following a car accident.

Darren Craven was in hospital for a few days last week for a series of tests. Fortunately it was nothing too serious and he is back in school again.

Start of New Era

These men were present for the momentous event in the spring of 1953 when Socony Seaboard Pembina No. 1 was brought into production to herald the start of the boom that saw the Pembina Field become the lar-

gest oil producing area in the world. From left to right are A. Yaromy, J.A. Warke, District Superintendent for Mobil Oil, H.A. Rutz, Production Operator and J. Murray.

BURTONSVILLE NEWS

MRS. A. HOMME,
Correspondent

Mr. and Mrs. Don Tattersall of Fox Creek were in this area last week. Don was helping his brothers David and Edward with some fencing.

Mr. and Mrs. Stanley MacDougall are away this week. They are visiting Stanley's sister, Mrs. Pearl Campbell who lives near Winnipeg. Stanley's sister Norah of Edmonton is staying with Ken and helping out with the house chores while his parents are away.

Eldon Kennedy, youngest son of Rev. John and Mrs. Kennedy was home for a couple of days visiting his parents before leaving for Hay Lakes where he expects to be employed for about four months.

Theresa Tattersall was home over the long weekend visiting her mother and David. She had her niece Cheryl Tattersall of Keephills and her friend Esther Draves of Edmonton for company.

Paul Walker, his wife Ruby, his nephew Harley Walker and his wife and four children all of Edmonton visited at both Axel and Cecil Hommes on Monday.

Buford Walker, his wife and two little boys of Edmonton also visited friends in this area on Sunday.

Mr. and Mrs. Eldon Greanya had their uncle, Gordon Hay of Edmonton and his children visiting them on Sunday.

Main area of activity, the Brazeau storage development, shows the reservoir and dam at left, and outlet works and canal in foreground. General course of the new spillway is indicated between them.

Expansion Program Now Under Way at Big Bend

A spillway is under construction at the Big Bend reservoir to replace twin conduits under the main dam which, until recently, were used to spill water into the Brazeau River. Late in 1967 Mannix Construction and Standard General moved in to prepare for the \$9 million project.

Crews renovated the old camp (used when Big Bend construction first began) and set up four forty-two man portable bunkhouses to accommodate workers during the next two years. About 100 men are presently on the job.

The spillway, capable of passing 65,000 cubic feet per second of water, will be 1200 feet long, 70 feet wide and 23 feet deep, spilling water into the river by means of a concrete flip bucket. Water will be controlled by two cable-operated bulkhead gates, each 30 feet by 50 feet. The spill-

way itself will take 35,000 cubic yards of concrete.

Entrance to the spillway will be by a lagoon 1700 feet long, 400 feet wide and 50 feet deep. Six 21-yard scrapers are working on the 1,550,000 cubic yards of material which must be excavated. The reservoir was first drained to provide a safety factor in the event of heavy run-off and rainfall.

The main dam will also be raised to give the reservoir an additional six feet of storage space. This requires additional side dams to keep water from flowing north to the Pembina River. Nelson Saddle Dam will be the largest of these--4000 feet long, 90 feet wide at the base and tapering to 12 ft. wide at the top. To make it water tight, about 750,000 cu. yards of muskeg must be moved to depths up to 10 feet.

The canal to the powerhouse

down stream was also drained by building a small coffer dam system and cutting a slot in the south dike. The rest of the water was dispersed through number two turbine. This will enable moving back the dike above the powerhouse, so that future intakes can be built without disturbing the operation of the plant.

Two young men who came a long way from home to work at Lodgepole for the summer and immediately found themselves in the thick of a forest fire. Andre Malapart (L) and Wolfgang Vording, Montreal University students, were working at a post camp near Lodgepole when the fire broke out.

District Fish, Game Attract Sportsmen

The general Drayton Valley region and farther west around Cynthia and Lodgepole have long been known as fine outdoor recreation areas.

The district is known to big game hunters and the fishing is a great attraction to families spending the weekend outdoors (not during this fire outbreak, however).

Rivers and creeks attract anglers from distant points and on any Sunday during the summer the Brazeau Dam site is crowded with family groups. Rat Creek and Paddy Creek are also favorite fishing spots while closer to Drayton Valley, Bear Creek and the Pembina River get a heavy play on weekends.

Dolly Varden and grayling are taken from the streams to the west along with the usual jack and walleyes. The channel from the reservoir gates at the dam has also yielded many beautiful Dolly Varden trout.

Second Section

THE WESTERN REVIEW

Drayton Valley, Alberta
Vol. IV, No. 22 May 29, 1968

The area is well known for moose, deer and elk and last fall proved a real bird hunter's paradise with a tremendously heavy crop of ruffed grouse. Although many nests will have been destroyed by fires this spring the grouse are near the top of their cycle and the hunting should still be good this fall.

Presentations Made At Entwistle Meeting

MRS. E. OLIVER,
Correspondent.

On Saturday, May 11th the Elks and the OORP were presented with their fifteen year pins and the chartered members received their pins and bars. P.S.H.R. Lady Phoebe McCullough and D.D. Lady Welsh of Gainford had the honors for the ladies. Those ones who received their pins and bars were: Ladies E. Reid, E. Seedhouse, L. Hanson, D. Field, D. Thomeus, M. Messenger, M. Swinnerton, M. Melvan, M. Anderson, A. Dean, A. Gyl-ander, W. Tufty, L. Bohnet, E. Oliver, K. Neumann, B. Robinson, K. Eliuk of Breton and R. Leyden of Penticton, B.C.

The men who received the Bar and Pin were: J. Reid, E. Seedhouse, J. Swinnerton, R. Gyl-ander, D. Gyl-ander, I. Gyl-ander, G. Pawluk, W. Carlson, G. Davidson, S. Field, N. Hanson, Bill Clarke sr., N. Sinclair, T. Starling,

J. Oliver, E. Messenger, H. Forecast, D. Gyl-ander, H. Bohnet, Y.H. Carlson, T. Nelson, Art Miller and Lefty Leyden of Penticton, B.C.

The members who received 15 year pins only were: L. Saretsky, L. Anderson, Dick Anderson, F. Cherrington, E. Galpin, John Robinson, Tom Thomeus, and Ronnie Wolff of Fort McMurray.

The dignitaries that were present were: Grand Exalted Ruler Brother R. Robert of Vegreville, Alberta, and Mrs. Robert, Mr. and Mrs. Colin Frazer of Leduc, and Mr. and Mrs. Olsen of Edmonton. Ones here for the occasion were: A Alex Neumann, Ruth Ann and George Greaves, Mrs. Doug Gyl-ander, Bill and Olive Clarke, Allan and Betty Gyl-ander.

Mr. and Mrs. N.R. Gyl-ander have five sons and one son-in-law that are all members of the Entwistle Lodge.

Mr. Bill Brett was nominated as the Publicity Director for the Elks Lodge.

Long Distance Reductions Announced

A new Late Night Long Distance Calling Plan will go into effect on September 15, 1968 which will enable Albertans to call almost anywhere in the ten provinces for \$1.00 or less.

Alberta Government Tele-phones and the other seven members of the Trans-Canada Telephone System announced the new \$1.00 maximum rate today for a three minute Direct Distance dialed call or station-to-station in areas not serviced by DDD, placed between midnight and 6 a.m.

Under the new schedule, an after-midnight call from Edmonton to Toronto will be \$1.00. The present rate for the same time period is \$1.95. The same rate applies to a call from Calgary to Montreal. Also on September 15, the night hour time period will be extended from the present 4:30 a.m. to 6:00 a.m. for all night calls.

Further rate reductions are presently being studied by AGT and will be announced in the near future.

ENTWISTLE NEWS

MRS. E. OLIVER,
Correspondent.

The Bazaar Committee wish to thank all who helped at the Home and School Tea. A special thanks to Mrs. E.A. Smith for the entertainment that the Glee Club gave on that day.

On May 14th, Mrs. E.A. Smith treated the Glee Club to their dinner at her home. They all enjoyed the meal and it was then that the girls presented Mrs. Smith with a gift for all her untiring efforts. They have all enjoyed the singing and I'm sure they will never forget the times they sang together.

Mrs. Galpin Sr. is in the General Hospital in Edmonton and she seems to be feeling much better so here's hoping she will soon be home with us all again.

Visitors at the E. Seedhouse home were Jack and Ella Galpin of Valleyview, and Eleanor and Glen Martin of Edmonton.

The Entwistle Elks held a Barbeque on May 18th. It was well attended and everyone seemed to have enjoyed themselves. Some out of town visitors were: Ted, Alice and Roy Nelson of Leduc, the Hazards from Drayton Valley and the Ludtkes now of Edmonton.

Mr. and Mrs. Ed Nelson and girls were to Grande Prairie over the weekend to see Stan and Betty McArthur and family.

Dale and Annabell Hoople were to Jasper over the weekend.

Mrs. A. Dean has her grandchildren with her as they were evacuated from the forest fire at Peers.

The Entwistle Fireman have been out to twelve fires since the fourth of May. They should be highly commended for their hard work and effort to respond so quickly. Mr. N. Hanson has also been busy hauling cats, etc. to all the different places.

New Pastor Arrives

Rev. Owen Isaacson arrived in Drayton Valley last week to take over as pastor of the Calvary Baptist Church to replace Rev. Elbert R. Cearfoss who left recently for the U. S. A.

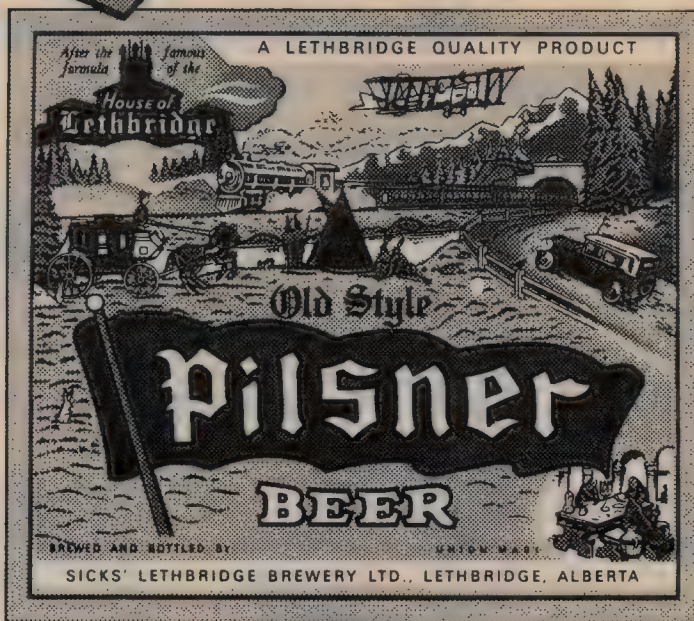

Originally from Michigan, he arrived here Thursday from Vancouver with his wife Annette and two children.

ATTENTION Elementary Registration

Parents of children who will be starting school in September, 1968:

Registrations will be taken at the Drayton Valley Elementary School 50th Street, on Monday, June 3rd from 1 to 4 P.M., and Tuesday, June 4th from 1 to 4 and 7 to 8 P.M. Please bring the child's birth certificate. The child must have reached the age of six years by December 31, 1968.

R. J. Elliott, Principal
Drayton Valley Elementary
School.

Our Pilsner label raises many exciting questions, and while we can't answer all of them, we can tell you about that house on the hill. It's the House of Lethbridge where we still brew Pilsner Beer slowly and naturally. Is the good old-fashioned way still the best way? No question about it!

AFTER THE FAMOUS FORMULA OF THE HOUSE OF LETHBRIDGE

BLACK FLY CONTROL

Good news for municipalities in black fly belts, reports Civic Administration, the infamous insect could be heading for extinction. Reason: it seems to be susceptible to the same chemical which decks mosquitoes.

The chemical Abate, produced by Cyanamid of

Canada, has been used successfully to control mosquitoes for some years. Now tests have shown it works equally well destroying the vicious black fly.

Injected into water, the chemical kills the insects in their larvae stage without harming aquatic life or wading birds.

IT'S CANDY WEEK

BERRYMOOR NEWS

MRS. D. MARTIN
Correspondent.

Congratulations to Mr. and Mrs. Garry Cropley on the birth of a son at the Drayton Valley Hospital.

The fire situation has become very serious. Fires are breaking out at numerous places and quite a number of people have had their buildings threatened.

Earl Lawson spent the long weekend at the home of his parents.

Mr. and Mrs. Allen Bryant and daughter were also weekend visitors in the community.

Mr. and Mrs. Gordon Tryon were district visitors, on the weekend also.

A picnic was held at the Lindale School on May 20th. Quite a few people were in attendance despite the fact that a lot of the men had to go fire fighting. The dance that was planned for the evening was cancelled because of the fire situation.

Mrs. Donald Martin was an Edmonton visitor on Saturday.

Mrs. Allan Wideman's father, Mr. Annette has undergone surgery in an Edmonton hospital. According to reports he is coming along quite nicely.

A series of special meetings were held in the Berrymoor Pentecostal Church over the weekend. Two visiting ministers conducted the meetings.

Mr. and Mrs. W. Joneson and family of Edmonton spent the long weekend at their farm. They also had to curtail some of their planned farming activities to take up fire fighting.

Mr. and Mrs. Jim Martin and family, formerly of Cowlitz, Alberta are now making their home in our community. We would like to extend a most sincere welcome to them.

Mr. Robert Shaw of Edmonton spent a few days in Berrymoor during this past week.

The difference between a regular diet and a crash diet is that on a regular diet you don't take seconds--and on a crash diet you don't take firsts.

Drunk: "Where am I officer? Policeman: "You're on 42nd St. and Broadway.
Drunk: "To heck with the details. What town?"

A popular recreation spot in Drayton Valley is the sporty 9-hole golf course. This photo was taken from the ninth green looking back down the fairway to the tee-head.

"It's our first win of the season!"

STEAM BATHS
Weight loss from a steam bath is temporary and will be recovered at the next meal, says the National Health and Welfare publication, "Get Fit - Keep Fit." All forms of hot baths, dry or wet, increase body temperature. Because of high temperature a person perspires and loses body water. A 2 or 3 pound loss is common with a 15-minute bath.

Massey-Ferguson MF 36 Swather

**We challenge you to find another
16-foot swather that gives you
as much for your money.**

Check this MF 36 Swather against other swathers and you'll find Massey-Ferguson gives you decided advantages. First, you get a big 53-hp liquid cooled engine including anti-freeze—a feature that the "bargain" swathers don't offer. With this more dependable power, you get easy starting, longer engine life and quiet vibration-free operation. Heavier, stronger construction is obvious throughout the machine.

We challenge any machine to lay down a neater row of grain or hay at a faster clip than you'll get with this nimble Massey-Ferguson MF 36. We don't think you can find a better swather for the money—and there are liberal trades—terms too, if you wish.

THE DOMINIONAIRES

Quartet to Present Program Here

One of Western Canada's finest gospel singing groups, the Dominionaires quartet from Calgary, Alberta will be appearing this coming Sunday, June 2nd at 7:30 p.m. in the Church of God.

The Dominionaires are a dynamic inter-denominational gospel team representing four different churches in the city of Calgary. They travel extensively throughout the western provinces and states ministering in song and word to church congregations, conventions, rallies and concerts.

Many of the old favorite gospel hymns are given a fresh new sound by this talented group and their repertoire includes a number of brand new southern gospel songs written by Del Delamont, their pianist and arranger.

Every member of the Dominionaires is an accomplished musician in his own right and the versatility of this outstanding quartet is portrayed in every song they sing. Their program is enjoyed and appreciated by young and old alike.

RAMONA

MRS. JEAN STEWART
Correspondent.

If you meet Bud Sullivan down town with a big smile on his face and no buttons on his shirt its because his Arabian Stallion, Llidar took third in the halter class at the Edmonton Gardens recently. This was the first time Bud had shown Llidar at a horse show so they both did real well.

Lanny Hartman celebrated his birthday Thursday, May 16th. He had Gordy Kelly, Ronnie, Joy-Ann and Donnie Blatkewietz and Allen Stewart to help him celebrate.

Mr. L. Derrheim is back in the district with his rotary tiler. Mr. Derrheim has a larger machine this year and dual wheels all around so he can get over land that was too soft before.

Steve Yurchak motored to Calgary recently to bring his mother and father back with him. Welcome to the district Mr. and Mrs. Yurchak.

Spain Seeks Canadian Cattle

OTTAWA--Canadian dairy and beef cattle will share the spotlight with Miss Janet Olsen, the Canadian Dairy Princess, during May and June at the 7th Feria Internacional del Campo in Madrid, Spain.

This will be Canada's first official participation in the Fair, regarded as the world's biggest outdoor agricultural show. A triennial event, the exhibition opens this year on May 22nd and runs until June 21. Twenty-three countries will participate and upwards of five million people will attend.

There is a growing demand in Spain for quality breeding stock for the improvement of the beef and dairy cattle industries. The country is a major market for Canadian purebred Hostein-Friesen cattle. Beef cattle are also in demand, and the Spanish Livestock Syndicate (the government agency controlling cattle imports) has indicated an interest in Canadian Polled Herefords.

ALDER FLATS NEWS

BERNICE JOHNSON
Correspondent

Sympathy is extended to the family of the late, Mrs. Clis-tie Nicolls, who passed away May 17th, in the Wetaskiwin Auxilliary hospital.

Forty Cubs and Scouts went on an excursion on May 4th to the International airport at Edmonton. They toured the radar room, the weather and various other interesting departments, which they all enjoyed. Louis Thrower transported them in the school bus. Glen Howatt, Wayne Linne-berg, Morris Dunn, Roy and Elaine Nordahl and Hap and Vince Schaurete were along on the tour and keeping a watchful eye on the children.

Recent visitors at the Paul Simon home were Mrs. Olga Richter and son and Mr. and Mrs. Arnold Simon and family of Evansburg and Mr. and Mrs. Ed Simon and family of Tom-ahawk.

Mr. and Mrs. Herman Seib and family of Calgary spent Saturday and Sunday at the Bill Rings.

Hap Schaurete has been away for two days recently, attending a Forestry school at Hinton.

Mrs. Albert Kellgren is in the Red Deer hospital, where she has undergone surgery. A speedy recovery is wished for her.

On Saturday, May 11th the 4-H were invited to the Experimental farm at Lacombe to take part in the judging of one hundred bulls, and viewing a film on beef carcasses. Enjoying the outing from here: were Lars, Byron and Ross Larson, Dexter Johnson, Schy-lar and Sharon Durant, Dal-las and Dean Seely and Kathy Bouck.

Tony Durant of Red Deer has spent a few days at his parents home recently.

Sylvia Knight, Lois Schaur-ete and Sharon Durant entertained a bridal shower in hon- or of Mrs. Rita Kellgren (nee Majeau) at the Legion hall on the evening of May 15th. Nineteen ladies were present and enjoyed the many games the girls had arranged for the evening's entertainment. Ass-isting Rita in the opening and recording of the lovely gifts she received were JoAnne Knight and Mrs. Sharon Kell- gren, thereafter Rita expressed her thanks to those attending. In climax of the evening a delicious lunch was served by the girls.

The Brownie tea held on Saturday at the Legion Hall was well attended and the little Brownies did a wonderful job serving the tea. The lead-ers also must be complimented on the excellent job they are doing.

Norman Blades of Edmonton was visiting at the Ron Blades over the long weekend.

The annual inspection of the Alder Flats and Breton Cadets was held Monday night May 13th, after which they were all served supper at the Com-munity hall.

Mr. and Mrs. Albert Plum and family of Brightview were Sunday May 12th visitors at the Roy Nerdahls, Roy and Albert reported the fishing was good at Buck Lake that week-end.

Danny and Jean Peterson and family of Penitcton, B.C. were visitors at the Lou Seelys over the long weekend. Danny is Darlenes brother.

Mr. and Mrs. Tom Sheridan of Ponoka spent a few days with the Darrel Hammonds recently.

Mr. and Mrs. Emile Letour-neau and Mr. and Mrs. Hec-tor Letoumeau and family of Edmonton spent the weekend at Mike Scrybalos and took in the sports day held here on Monday.

It was nice to have Mr. and Mrs. Andrew Larson of Wet-askiwin in our locality from Monday till Wednesday, also all the numerous others who were out here on Monday for the big day.

The Vic Stefuras are sporting a new car.

Sorry to here Anne Olsen broke her arm after falling off a ladder.

Here from out of town to attend the funeral of the late Mrs. Nicolls were, Mr. and Mrs. Frankie Nicolls and Ber-nice Nicolls of Edmonton. Gladys and Bert Proudly, Nora Maciborski, Bill and Kathleen Kohut, Mr. and Mrs. Andrew

Larson, and Bessie Sunberg all of Wetaskiwin, Hazel Lee of Maywood, Claire and Melba Clemmer and family of Wain-wright, Len and Mavis Schultz and June and Louise Nicolls of Red Deer.

The T.B. clinic will be in Alder Flats June 21st at the community hall. All house holders are requested to fill in and return promptly the cards which are being sent out to them.

There will be no Home and School meeting in June. Elected nominating commit-tie are Joyce Hayduk, Margie Hammond and Elaine Nerdahl.

The former Burki farm north of Drayton Valley will be under the waters of the lake to be created in the Pembina Valley when the proposed dam is constructed somewhere near Entwistle at some time

in the future. The photo taken from the top of the hill near Highway 57 shows the Pembina winding through the beautiful farm location.

Agriculture on the Move

The farm area around Drayton Valley has opened up greatly in the past few years and the district is gaining increasing importance as a centre of livestock production. Hundreds of acres are being brushed and cultivated every year as agriculture moves forward throughout West Central Alberta.

A fisherman lugging a fish twice his size met another fisherman with a half-dozen small ones on a string. "Howdy," said the first drop-

ping the huge fish and waiting for a comment. His fellow fisherman just stared and then said calmly, "Just caught the one, eh?"

Evansburg CWL Regular Meet

The regular monthly meeting of the St. Elizabeth C.W. L. was held in the church on Monday May 20th with nine members present.

The newly elected president Mrs. H. Marshall thanked the past president Mrs. E. Lauer and her executive and committees for their work in the past year.

Mrs. H. Marshall appointed the following convenors: Social, Mrs. E. Lauer and Mrs. A. Jwasko; Spiritual, Mrs. C. Schmidt; Membership, Mrs. Unger; Press, Mrs. Wisk; Marian Centre, Mrs. H. Williams.

Plans were made for a strawberry tea and bake sale to be held on June 15th in the Evansburg Hotel basement.

Mrs. Lauer was appointed voting, delegate for the C.W. L. convention to be held at St. Joseph's College, Edmonton, May 31st to June 2nd.

An over the top merit award was presented by the Red Cross Society for donations from Evansburg and district which was sponsored by the St. Elizabeth C.W.L. Council. A big thank you to all persons who so generously donated to this most worthwhile society.

Iodine in very small amounts helps prevent simple goitre. It is especially important in adolescence and pregnancy. All table salt sold in Canada must be iodized. The amounts of iodized salt ordinarily used will supply the need for iodine.

With all the current talk about the need for teaching more mathematics in school we can't help wondering about two former classmates.

One was the brightest in the class and was voted most likely to succeed. The other was the worst dunce in the history of the school. Yet the bright one never made more than a modest salary, while the dumb one became wealthy.

When recently questioned about the secret of his success he answered.

"Why, it's very simple," he said, "I run a restaurant. I buy steaks for a dollar and sell them for four. That way," he explained, "I always make three per cent."

Vol. IV, No. 22 May 29, 1968

C.W.L. Elects New Officers

A general meeting of St. Anthony's parish CWL was held on April 14th. The following officers were elected for the 1968-69 term:

President, Mrs. Marie Leniuk; First Vice-President, Mrs. Marianne Legeas; Second Vice President, Mrs. Theresa Comcau; Third Vice-President, Mrs. Lillian Hook; Secretary, Mrs. Dorothy Woods; and Treasurer, Mrs. Barb Holan.

The C.W.L. wish to thank all those who took part in the bake sale. It was a real success.

A diocesan C.W.L. convention will be held in St. Joseph's College at the University of Alberta in Edmonton from May 31st to June 3rd. Anyone wishing to attend may phone Marie Leniuk.

Sunday, May 26th was first communion day for thirty-three youngsters of St. Anthony's parish.

The C.W.L. sponsored four members in the March for Millions. Thanks are extended to all who took part in the affair.

A vacation is what you take when you can't take what you have been taking.

HOSIERY PROBLEMS

There's nothing quite so annoying as a run in a brand new pair of stockings.

The Canadian Consumer says that your environment influences stocking life. Car exhaust and fumes from industrial plants weaken stockings. Cigarette smokers and fidgety types have difficulties preserving stockings.

Sometimes stocking life depends on luck and you can't help the jagged bus seat.

There are several ways you can get more for your money.

One is to choose a heavier weight (30 denier) for daytime wear and a finer weight (15 denier) or sheer for evening.

Buy the proper size. Reinforcing does not come in the right spot with either too large or too small hose.

Buy at least 2 pairs (and in quantity if you can get what

you want on sale) in the same shade and construction.

Roll stockings to the toe and ease on. Tugging results in runs.

Persistent runs in the feet may be caused by a rough spot in the shoe, a rough toenail or callus.

For really long-lasting hose, use textured or patterned stockings. One lady reported a seven-week wearing for a 79 cent pair. However, these should be for young, shapely ledges, only.

**SCHOOL
FLASHES**

**DRAYTON VALLEY
JUNIOR HIGH**

The Junior High Annual Tri-School Meet was held on May 24th at the Lions Park. The participants scored the following points: Lodgepole 294; St. Anthonys 512; D.V. Junior High 612.

Individual trophies were awarded to various students: 10 and under, Donna Schneider, Junior High; Gerald Krabbe, Junior High. 11 and 12, Cheryl Daviduik, Junior High; David Zom, Lodgepole. 13 and 14 Betty Hodgson, Junior High; Joy Meraw, St. Anthonys. 15 and 16 Shirley Henkle, Junior High Bruce Gossel, Junior High (tied); John Teeter, St. Anthonys.

Awards Night will be held on June 27th in our auditorium.

Each room or grade will have some kind of recreation planned for the end of the school year.

Two grade eight drama classes will be putting on an operetta, June 5th, under the direction of Mrs. Ross.

Engelhardt - Oscar Wed in Double Ring Ceremony

A lovely wedding took place in the United Church, Drayton Valley on Saturday, May 11, 1968 when Miss Susan May Oscar, eldest daughter of Mr. and Mrs. Donald Oscar of Easyford, became the bride of Mr. Glenn Arthur Engelhardt, eldest son of Mr. and Mrs. Carl Engelhardt of Duffield, Alberta. Rev. E. Martin officiated at the double ring ceremony.

The bride, given in marriage by her father, Mr. Donald Oscar, wore a fitted gown of white lace over white satin with a matching train. She also wore a pearl pendant, a gift from the groom, and carried a bouquet of red roses.

The bride's attendants were Mrs. Iris Allen of Rainbow Lake, Miss Carol Miller of Edmonton and Miss Jo-Ann Devey of Drayton Valley, cousin of the bride. They all wore identical floor-length gowns of pale green embossed satin and carried bouquets of white daisies.

The groom was attended by Mr. Delmar Engelhardt of Duffield, brother of the groom, Mr. Ron Henkel of Duffield, cousin of the groom, and Mr. Russel Schiedeman of Duffield, also a cousin of the groom.

Ushers were Mr. Garry Schiedeman and Mr. Barry Oscar.

The bride's mother wore a two-piece green suit, with white accessories and wore a corsage of yellow roses. The groom's mother wore a two-piece dress in pink, with white accessories and wore a corsage of white carnations.

A reception was held in the Elks Hall.

The bride's table was beautifully decorated with a three-tier wedding cake and bouquets of glads, mums and daisies.

Later in the evening a wedding dance was held and enjoyed by many relatives and friends.

For her going away costume, the bride chose a green cape suit with navy accessories.

After a three-week honeymoon to the west coast and points south, the happy couple will make their home in Edmonton.

Special guests from out-of-town were the bride's grandparents, Mr. and Mrs. Claude Devey of Edmonton, and the groom's grandmother, Mrs. Scheideman of Duffield. Besides many aunts, uncles, cousins and good friends from Duffield, Stony Plain, Genesee, Edmonton, Fort Saskatchewan, Crofton, B.C., Seba Beach,

Winterburn, Devon and Rainbow Lake.

I have but one lamp by which my feet are guided, and that is the lamp of experience. I know of no way of judging the future but by the past.
-Patrick Henry.

May 21--Mrs. James Hunter (Patricia), Evansburg - Boy 7 lbs. 1/4 oz.

May 23--Mrs. David Anderson (Pearl), Drayton Valley - Girl - 4 lbs. 11 ozs.

The winner of this week's heaviest baby contest is Mrs. Hunter with her boy weighing 7 lbs. 1/4 ozs. Mrs. Hunter may pick up her baby spoon at:

COLOR-RELATED HOUSE PAINTS

choose your Color to Blend with your Roof

Here they are: bright modern house paint colors to give your home individuality and distinction, yet color-rated to blend harmoniously with the color of your roof, or any other basic color you may decide upon.

Kyanize Color-Related House Paints are the finest quality. The colors are rich and

permanent, they hide well and last long. Made with an alkyd base that provides fast drying--fade proof colors--a gloss that lasts and lasts. Ideal for the main body and trim of your home. On repainting jobs no primer is required on surfaces that are in reasonably good condition.

14 attractive colors to choose from. Also available in White 600, Black 660, and Exterior Primer 885.

Treated Grain Requires Care

LETHBRIDGE--Terminal elevators are reporting an increase in the number of carloads of grain rejected because some has been treated with fungicides or both.

Farmers are warned not to mix treated seeds with feed grain by Stuart McDonald, a toxicologist for the Canada Department of Agriculture at Lethbridge, Alta.

Farmers who have fed treated grain have produced eggs and milk that were contaminated. In some cases entire poultry flocks have been destroyed because of mercury poisoning.

In addition, Canada's export markets suffer because importing countries are usually very restrictive about pesticide contamination.

Mr. McDonald says it is the growers' responsibility to ensure that Canadian grain is not contaminated.

"We must not rely on regulatory agencies of the government to detect contamination, but we must prevent it at its source," he warns.

Mr. McDonald also cautions farmers regarding the unnecessary use of insecticides for wireworm control. Insecticide or combination insecticide-fungicide seed treatments "should not be used each year but only when wireworm injury has been evident or when cereals are seeded in new breaking."

Treated grain should be handled as carefully as the chemicals used to treat it, he adds.

The five precautions he recommends are:

1. Thoroughly clean the grain box of trucks used to transport treated seed so that untreated grain won't be contaminated.

2. Store treated grain separate from untreated grain. These storage areas should be thoroughly cleaned after the

treated grain is removed.

Treat only the grain to be used for seeding. Small leftover quantities, if not sown, should be burnt.

Don't feed treated grain even if it has been mixed with untreated seed.

Treated seed should be

clearly marked and kept in locked storage out of the reach of livestock and children.

Don't throw away your empty seed packages. They are often just the right size for storing your crop.

Lilac Advice

MORDEN, Man. --If you are planning to add lilacs to your home landscaping, make sure the plants you buy have been grown on their own roots and not by graft on common or late lilac rootstock.

This is the advice of Alfred Vitins of the Canada Department of Agriculture's Research Station here where more than 300 varieties and strains of lilacs are under test in the arboretum. The large and colorful collection ranges from small shrubs such as the three-foot high Meyers lilac to the tree-sized Amur which grows to the height of 30 feet.

One of the most troublesome problems with lilacs concerns sucker growth from the rootstock used in grafting, the researcher says. Plants purchased in the past have been grafted on common lilac (*S. vulgaris*), late lilac (*S. villosa*) and privet.

Experience at Morden has shown that common and late lilac rootstocks produce shoots which, if left unchecked, could eventually smother the varieties grafted on them, the researcher says. For this reason purchasers should try and obtain plants that have been grown from their own roots.

Your Better Business Bureau suggests you wouldn't sign a blank cheque, so why sign a blank contract. Be sure it is completely filled in and thoroughly understood before you sign.

Stamp to Honor Hon. G. Brown

A multi-colour 5¢ commemorative stamp to be issued by the Canadian Post Office on the 7th August 1968 pays tribute to the Honourable George Brown, one of Canada's Father of Confederation who was born 150 years ago. Postmaster General Jean-Pierre Cote announced recently. In addition to playing a prominent role in

the emergence of Canada as a nation, George Brown, a native of Scotland, left a legacy in a continuing Toronto daily newspaper which he founded as "The Globe" in 1844.

The design chosen for the new issue is the first executed by Nickolay Sabolotny, a native of Yugoslavia, who came to Canada in 1951. Mr. Sabolotny, now living in Ottawa, studied art in his homeland, in Germany and in other countries.

Outdoors Notes

By Phil Vatter

Most of our local fishermen are staying close to home these days. Someone said it was the weather but again we hear it was a "Forest Fire" Problem in all areas.

We hear that most of our backwood streams will be closed to fishing until we receive a little more moisture.

Rumors say pickerel are biting in Pembina River, and are starting to bite in Buck Lake, Jack fish are biting everywhere they are located.

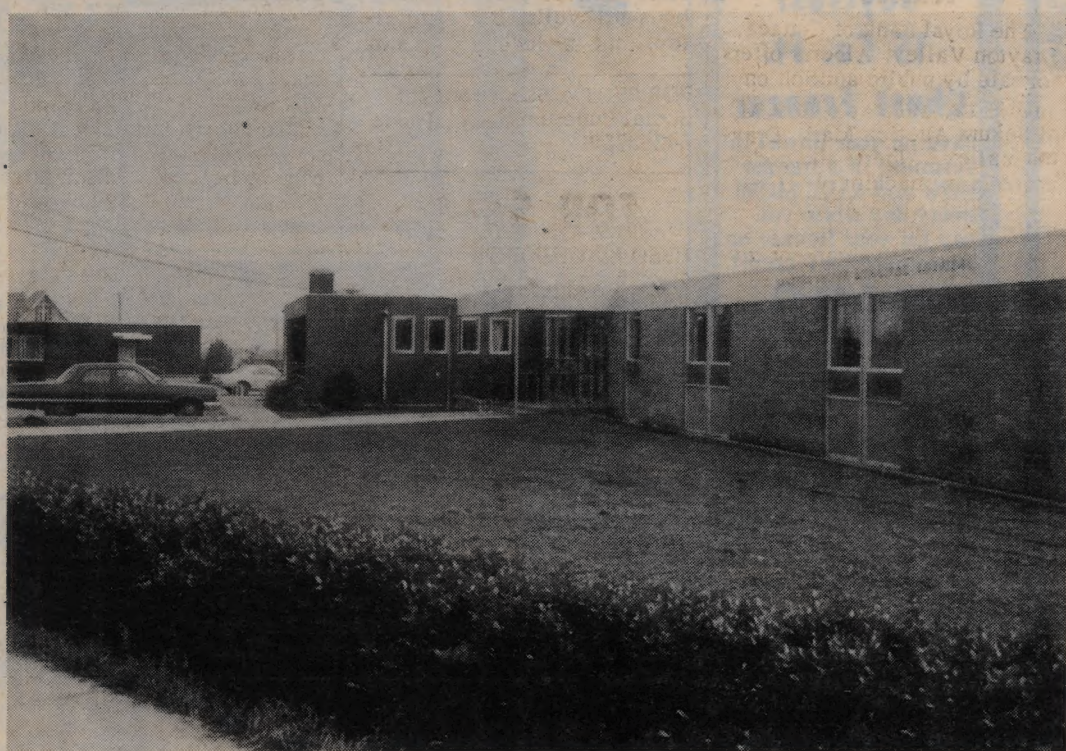

Some fishermen are taking Bull Trout in the Brazeau Area.

Rainbow Trout and grayling are being taken in streams in Edson and Rocky Mtn. House areas.

So lets go out and make these trophy hunters earn their fish trophies this year.

Our next Fish and Game meeting is May 30, 1968.

Lets have a good turn out OK.

Drayton Valley Municipal Hospital

This photo shows the Drayton Valley Municipal Hospital with the new wing opened recently on the right. The recent addition brings the total beds in the hospital to 47 and eight bassinets. Six doctors and a dental surgeon attend the hospital on a daily basis. The hospital has two operating rooms, emergency room, x-ray and laboratory facilities and functions as a complete general hospital. The hospital has a nursing staff of thirty.
